Presidents Report

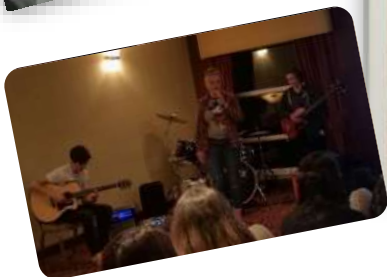

Dear members

I cannot believe that we are so close to the end of another year and certainly the recent weather has left us in no doubt that it is winter --dark ,wet and simply drierch.!!! However this is certainly not a dull time for our club as the photos and reports in this month's issue highlight. Our first ever Ladies' Afternoon Tea fundraiser was a huge success both in terms of the amount raised and the fun had by close on 200 ladies present. It is very likely that a similar event will become part of our annual programme. The second Glenrothes Walk for Peace took place on Tuesday 10th November . Last year's Rotary theme " Light Up the World" prompted our club to involve the schools , churches and local community in this ceremony at the war memorial. This year our theme is "Be a Gift to the World" and surely there can be no greater gift than peaceful coexistence and mutual respect both locally and in the world at large. Also this month sees the first of the competitions which we organise for the high schools namely the Young Chef. The standard of cooking and presentation achieved by the pupils is always impressive and I know this year will be no exception. I can't wait to see and taste the dishes!! I am also pleased to report that we are making slow but steady progress in our efforts to support the Auchmuty Community and Learning Centre and that a small team of members is ready to conduct mock interviews as the need arises. I would like to thank all the members who have contributed to the club activities so far this Rotary year and look forward to working with you in the months to come.

Evening Meeting

On Thursday 29th October we held our third evening meeting in our 6 month trial. 2015 RYLA students Stephen Smith and Connor Pratt showed the group a brilliant video from the RYLA camp and each gave their individual presentations detailing their week at the camp, the different activities and team building events they participated in and how they each built on their leadership skills by leading one activity. They both thanked the Rotary club for the opportunity to have this life changing experience. We also had members of the new interact club from Glenrothes High School and a selection of pupils from Glenrothes and Auchmuty High School who entertained us during the evening.

The Rotary Club of Glenrothes has been busy with our Rotary Shoebox Scheme. 100 boxes were delivered to St Columba's Church of Scotland, Glenrothes, 40 MORE to Auchmuty High School and 20 to St Paul's primary school. 700 were ordered and these have now all been distributed. Rotarian Tracy has been at the local schools talking at assemblies and delivering shoeboxes to the schools. Tracy has requested members to help with delivering the boxes to Perth Auchmuty High School is planning to make a new DVD for the shoeboxes.
